VI. Reports:**A. Administrative Committee Reports:****1. Chairperson – Doug F. – Report Submitted**

Hi, my name is Doug, and I am an addict. We had a great Saturday this weekend at Region. I feel we need to get someone to update our guidelines. I think we should get an ad hoc committee together to do so. We are going to have a special session at this RSC for an addict that has a grievance.

Regional Treasurer's Report

I have filed our IRS form 990n which I will attach with my report and I also filed our Annual report with the Secretary of State where I updated our current officers which I have on file for anyone to view. I need to be reimbursed \$15.00 for the Annual report fee. Now that all of our annual legal documents have been filed, I can proceed with changing the name on our account to better reflect our purpose and mission. The proposed name will be changed from Louisiana Area Region of Narcotics Anonymous (LARNA) to Louisiana Regional Service Committee of Narcotics Anonymous (LRSCNA). If the GSR's vote for this name change, the fee will be \$75.00 and I will have to file an amendment with the IRS which is free and I will need to change the name on our bank account. I'm not sure if the checks need to be changed but the fees for new checks are minimal if we have to.

I stated in an email exchange that was circulating about our legal status that the Organizational Charter and the Bylaws are not filed with any State or Federal Agency. Some banks require this and the IRS suggests that this documentation be available due to our 501(c)(4) status so this is a nice to have document just in case. This can be amended as necessary but we are not bound by this document because this document states that our Regional Policy Supersedes it. If the GSR's vote differently, we can work on it. The duties and responsibilities of the treasurer was amended in policy so that this legal process is maintained on behalf of Region.

Respectfully Submitted
Trevis J
Regional Treasurer

5. Regional Delegate Report – Lee P. – Report Submitted

April 2nd, 2023

Hello LA Region,

I am grateful to be here with you and am grateful to serve. I'd also like to welcome the Serenity Area, we're glad that you're here! We've had a very busy season and hopefully will get the last tallies from Group's and Area's this weekend!

We conducted workshops for the Conference Agenda Report the first two weekends of January. The third weekend of January was Southern Zonal Forum in Austin TX Tejas Bluebonnet was the hosting, Region. That information from SZF was emailed to all Regional ASR's. (Are there any questions about the SZF information?)

The first and fourth weekends in February we had C.A.R. Workshop's. I think that the most that we had in attendance was fourteen which is good... Information was shared on the motions and taken back to local Groups for their vote's. We will be tallying up all the votes in preparation for the upcoming World Service Conference at the end of April. Bayou Recovery Area held an independent C.A.R. Workshop which at the time seemed a bit unorthodox. After listening to the exiting AD, Nancy S. it's my understanding that their vote will be turned in at this Regional. Please get your tally sheets and votes to me. Thanks. I will send out the post Conference Report as soon as I receive it.

Big NOTE! Our Region is selected to host the Southern Zonal Forum in Summer 2024. The hotel and dates have already been coordinated. Please note that your **contracted cutoff date** for all reservations to be confirmed is **Monday, July 22, 2024**. The event is Friday July 26th through Sunday July 28th. We have an opportunity to have a "PR for Professional Day" like what we hosted in 2019.

Here's your reservation link your guests can use to make reservations:

Fellowship Development April 2023 RSC

FD has been implementing the initiatives started last year. The Facebook PSAs and billboards appear to be generating results as the traffic on larna.org has been steadily increasing and the helpline utilization is growing.

We've been working NE Louisiana really hard to establish more meetings and it is bearing fruit as we have gained one group and five new meetings in the last six months.

Steve reworked larna.org and it looks good. I asked him about streamlining the process of posting events so Areas or committees could directly post to the event calendar. There is now a link to a form to fill out on larna.org to post your event. If you have any problems with it then please let me know.

We now have a webservant in each Area to keep up content in their websites. I still keep up the backend maintenance for all but Northshore and Bayou. If there is anyone in the Region with Linux experience and would like to help with this please contact me.

We will have an FD subcommittee this month on zoom to plan for the rest of the year as well as work on the 2024 budget which is due at the next RSC. I will be getting out flyers in the next week or so.

Our budget for 2023 is \$3200.00. In the first quarter we spent \$161.44 on Facebook PSAs so we have \$3038.56 remaining in the FD budget.

C. Interesting Parties:**1. Board of Directors – Bob Si. - Report submitted.**

Greetings from the Convention Board

4/2/23

Hope this weekend finds you all well. Virginia W has graciously volunteered to attend the regional meeting with me this weekend. It has been a busy few month's since my last report. We followed up on informing areas on how to bid and what the board does. This is Bob Storer's report to the board. This report can be found in our board minutes as well.

Louisiana Goodwill tour

In accordance with our discussions regarding going to individual ASCs to talk about how the corporation works and encouraging people to bid on upcoming LRCNAs, Ron Duggins and I traveled to Lake Charles and to Shreveport this past month.

In Lake Charles there didn't seem to be much in the way of questions regarding the corporation and there was some interest in bidding for LRCNA. We left them with bidding guidelines and promises of help should they put together a bid committee and want to get proposals from hotels.

Shreveport was different. We heard that there was a motion that was going to come from Shreveport to disband the LRCC. The rumor was that people in that area thought that we were not transparent enough, and were not being responsible to the RSC. I made sure to bring examples of reports made to RSC and copies of our controlling documents. I went through the history of how the current structure came about and exactly how we are responsible to the RSC.

It seemed there were mainly 3 people with significant concerns/questions, but all of these appeared to be answered by the presentation and they reported that they had been given bad information on how the corporation was set up and what the structure was. Probably the only criticism that was legitimate is one that can be made about a lot of things in NA; That is, that the money we donate to RSC really doesn't comply with the letter of the 7th tradition. We are an outside organization donating money to NA.

All in all, both trips were a success and I am trying to plan how to go to the remaining ASCs before my time on the board expires.

In loving service,

Bob Storer.

Board goings on

I guess this is as good a time as any to respond to the Regions request for minutes, incorporation documents, letter of determinations and bank statements. I sent Don past minutes as well as any inc. information, including letter of determination. I have also printed copies of all the above documents. Including a complete set of convention committee minutes. Anyone that would like them directly, please let me know and I will make sure you get a copy. Just for the record, what I give the Secretary will be: Board minutes from March 2023, treasurer reports and bank statements, convention committee reports for January and February 2023 as well as the convention committee treasurers report for March 2023. The March minutes have not yet been approved by the convention committee and have not been made available to us. I will make these available once we have them. I will give the above information to Don on Sunday as well as digital copies if I have not already done so.

Convention 2024 and beyond

We are still looking for a convention bid for 2024. We have heard from a group that's interested and will hopefully be able to report something on this on Sunday. 2025 is also available.

Incorporation update

From the Treasurers report in the March 2023 minutes:

Regarding the IRS filing:

1. *On August 18, 2022, the IRS issued a letter of determination that affirms the IRS recognizes LRCC, Inc is exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(4).*
2. *Notwithstanding this exemption, donors cannot deduct contributions made to LRCC, Inc under IRC Section 170(c)(2).*
3. *Annually, due on the 15th day of the 5th month following the close of our fiscal year, which the IRS has identified that LRCC's tax year ends December 31st.*
4. *Because we make less than \$50K the filing can be made via the e-Postcard Form 990-N.*

5. LRCC's e-postcard Form 990-N was filed on March 3, 2023, and the filing status is currently pending acceptance from the IRS (attached FYI)
6. If no filing is made in three consecutive years, the 501(c)(4) status will automatically be revoked.
7. If LRCC's wants the tax year changed to end June 30, report the change to: Internal Revenue Service, TE/GE, EO Determinations Office, Room 4024, P.O. Box 2508, Cincinnati, OH 452XX (just let me know if you want to change it or not)

Thanks, Serena P.

So, what does this all mean, it means that we will be filing taxes this year. One of the updates we will be making in our operating procedure is a set of instructions so future treasurers will know how and when to file taxes.

Final thoughts

We will be having three members roll off the board in June. Bob S., Virginia W., Paul P. Thank you for the last eight years of service to the region. The Region elects the board members, so hopefully there will be nominations at the July Regional meeting. I will furnish a list of qualifications if Don does not already have them. We mailed the Region a check for \$851.53, from a closed bank account, of unknown origin, Check number 1074. The check has not yet been cashed and it's been 3 months. It was issued December 4th, 2022, and sent to the Regional PO box. Serena put a hold on the check and issued a new one. I will be giving it directly to the Regional Treasurer.

March 19, 2023

To: LRCC Board of Directors

Allow this letter to serve as official notice of my resignation as Chair of the HCC for LRCNA XXXIX. It is with much regret I report to the Louisiana Region of Narcotics Anonymous the following conditions that prompted this letter. After being duly chosen by recovering addicts in attendance at the nominating meeting, I accepted the nomination, pending approval by the BOD. At the subsequent BOD meeting I was confirmed after fielding questions regarding my past service to the fellowship.

During the second monthly meeting of the HCC, it was announced by the Treasurer, Pixie, that the Committee had received its checkbook. I asked Pixie at the end of the meeting why I was not asked to sign up as a signatory on the checkbook, as stated in the convention guidelines, and her response was "you cannot be on the checkbook". Vice-Chair, Joel V., also privy to the conversation was told "you can, but he can't". When I inquired why I can't, her response was "talk to Bob". I met with Bob S. an hour later at a Sunday meeting and I inquired why am I being singled out as someone who cannot be on the checkbook to which he responded "you said you didn't want to handle any money", to which I replied to him I never said anything of a kind, and could not think of any scenario in which I would make that declaration. He said "yes you did", I said "no I didn't", he said "yes you did", I said "no I didn't", he said "yes you did", I said "no I didn't". He then said that's okay "we've changed to one person can sign checks now".

I accepted his response in spite of it being a violation of the guidelines, which I try to follow to a word. This past Sunday I made it known to the committee, as I have announced at meetings I've attended in the past 30 days, that I would be attending the Mobile, Alabama Area convention this weekend and I would have a table set up to sell registrations and T-shirts. Seemed like the right thing to do, and give me an opportunity to contribute to the convention's efforts. While dividing up the shirts at the end of the meeting, I was pulled to the side by Pixie who stated "Roy, you can't take any shirts according to the Board, because you're not allowed to do anything that involves handling money". I was so shocked and angered at her words to me, I said "why don't they just remove me, no better yet, I'll remove myself", to which she replied "you can do what you want, just don't take any shirts". I stormed out of the meeting after stating aloud that "I must be the only Untrusted servant to ever lead an NA convention".

My reputation and character speaks for itself. If the BOD didn't feel I could be trusted, why did they confirm me as Chair. My reputation as a person in recovery, and a business owner for the past 15 years, is impeccable and unquestionable. Google my name to see what the Baton Rouge community thinks of me and the work I do in the Criminal Justice system for past 12 years. If I allow anyone to talk to me, or treat me in this manner, I could never be able to look in a mirror again and be okay with the person looking back. How much embarrassment and humiliation do I have to endure? Following confirmation, I expected, no I deserved, to be treated no different than the 38 previous convention Chairs. I ask the full Committee of the Louisiana Region to examine and thoroughly investigate the workings of the BOD.

It is for this reason I tender my resignation as Chair of the HCC of LRCNA XXXIX.

ILS,

Roy M.

The volunteers have been oriented, and their paperwork submitted, but DOC isn't responding to our Area's request for clearance certificates.
 - Bayou Recovery Area has a new H & I Chairperson, Taylor B who took over from Elmore as of January 1st. His contact information is 225-316-5114 and taybutts@gmail.com If you are interested in getting involved with H&I, please contact him.

 - Bayou Recovery Area would like to know the process for multiple absences of a Region Service position. Attendance recorded?
 - CAR voting: I am submitting a motion from our Area concerning voting procedures in the CAR report. Bayou Recovery will request the Region policy be written so that only the ASR or Alt ASR can submit CAR tally votes to the RD and that votes should not be collected individually or at workshops.

Lake Area ASR Report

04/02/2023

Hello everyone. I am grateful to represent the Lake Area. We currently have 6 groups and 38 meetings every week. The Agape Group also has virtual meetings every night at 8pm. For H&I, we go to New Beginnings every Wednesday at 8pm and we go to Odyssey House every Sunday at 6:30pm. The Chaplain of our local jail held an orientation that was attended by 10 members. We're waiting to get word on when meetings will open again and will determine what we're capable of committing to. We're planning on holding an Area H+I learning day late May/early June to get more volunteers involved and improve communication on the committee. In PI, our meeting list is up to date with the addition of a QR code of the foldable schedule. In activities, we held our annual Unity campout on March 17-19. We'd like to thank everyone who helped make it a success. In upcoming events, Spirit of the Bayou will be celebrating their 31st anniversary on Saturday, April 15th and The Recovery Group will be celebrating their 2nd anniversary on Sunday, April 16th. In committees, we instituted a Policy standing subcommittee to update our guidelines and keep up to date with changes in our service structure. We also have a currently unofficial committee looking into our Area's ability to host a convention. To this point, our overall efforts to get new people involved with service have been successful. We're making a concerted effort to encourage new views. The Region and surrounding areas have been helpful. We look forward to continuing to exchange ideas.

8. Northshore Area – Ronnie P. (Alt) – Report Submitted

Hello from the Northshore Area,

We still have 12 group in our area with 31 meetings through out the week. We are still have low attendance at our meetings, except for the meetings in the Slidell area. We have two H&I meeting a week. We have been in contact with Avenues Treatment and Recovery Center in Covington, they would like to have another H&I meeting during the week. We already go there on Tues at 7pm. We informed them that we would bring it ASC to see if we have enough support for another H&I meeting. They also asked if could have a regular NA meeting in the facility once a week. We told them we could not start a regular NA meeting, because they wanted a meeting for their clients only; no outside NA members could attend.

We held a C.A.R. workshop in Feb, and had 12 members attend. We only 3 groups send me their votes on the CAR, I forwarded them to Lee P. We also held a H&I learning day, which we had a good turn out. We are still trying to increase our attendance and attract newcomers. We are making a \$344.00 donations to region.

In Loving Service,

Ronnie P

9. Serenity Area – Richard T – Report Submitted**Serenity Area RSC Report April 2023**

At Serenity Area we are still getting our feet on the ground but we are growing. We currently have six groups in Springhill, Homer, Farmerville, Ruston, Monroe, and Columbia, LA with a total of twelve meetings a week. This is up from five groups and eight meetings per week when we formed back in July. We are grateful for the work everyone is doing and hope to continue to make NA more available in North Central and Northeast Louisiana to further our primary purpose.

We had our first area function on February 25th hosted by the Black Sheep group in Springhill. We had food and two speakers. Speakers were Bill H from El Dorado, AR and Jody S from Shreveport. Crossroads Group in Ruston will be hosting our next function at noon on May sixth at The Serenity House with a fish fry and speakers TBA. We will be getting a flyer out soon. If you're in the neighborhood stop in and see us.

We are currently doing H&I meetings in two location – Lincoln Nova in Ruston and CARES in Homer. We have opportunities to do more as we can develop more manpower.

10. Unity Area – Amy G – Report submitted.

Unity Area had meetings every day of the week, about 18 meetings and 1 zoom. We are slowly growing out Area. We had 11 GSR's at our last Area. But like most Areas we are still struggling to fill our service positions, we have several open positions. Unity Area and New Orleans Area just hosted an Easter Function. Hopeful to make this an Annual event between our two areas. The purpose is to promote unity between the areas. Unity area just donated 100 Unity Area meeting list to the Northshore H&I committee to handout since Unity Area has no functioning H&I. The purpose is so that the newcomer finds meetings in the Metro Area of New Orleans. The Unity meeting list has all of N.O. Metro Area meetings on it. A Couple of Unity meetings has some functions coming up. One is a Camp Out at Bogue Chitto State Park, April 21st and 22nd hosted by the No Excuse Group. Also, Out of the Dark into the Light Group of NA is hosting a two speaker, food, and dance function at 120 Ormond Blvd. Laplace, LA Both fliers will be posted on Unity Area and LARNA Facebook page.
